

## Administrative Accommodations

Applicants who seek authorization for special arrangements must submit an Administrative Accommodation Request Form with their Bar Exam Application. You may be asked to provide documentation to support your request. If your request is granted, the Board of Law Examiners will send you a letter approving the request. If you do not receive this letter, your request is denied.

This form is to:

- Request authorization to bring an assistive device prohibited by the Board's Rules, Procedures, and Instructions for the Bar Exam Examination. This form is NOT for requesting additional time. You must complete the Bar Accommodations Application for extra time.
- Request special seating or other arrangements because of a medical or other condition.

1. List the assistive device you wish to bring into the Examination Room and explain why the device is needed.

2. Indicate your special seating request or other accommodation you are requesting, and explain why the request is needed.

Please check all that apply to you:

Near Exam Room Entrance     Near Rear of Exam Room     Near Restroom
